The businesses listed above have had their payroll software tested and verified compliant with the FRCA PAYE Withholding Tax payroll specifications and requirements. Hence, they have been accredited with an FRCA PAYE Withholding Tax Payroll Accreditation Certificate.

FRCA should be advised of all alterations made to the tax aspects of the payroll software. Failure to do so may result in cancellation of Accreditation Certificate.

For those wanting accreditation, please ensure that payroll systems meet the FRCA payroll specifications when completing the PAYE Final – Employer Monthly Summary (EMS).

We will now close the accreditation and will review in 2015.

Employers please note that when filing EMS you may use one of the software packages listed above or utilize FRCA's electronic platform (2013 Income Matching Flat File Generator) using Microsoft Access application 2007 and 2010 versions.

The free kiosk service for flat file usage is always available at all our FRCA offices and the flat file generator is also available upon request on USB as well.

For further information, please contact the following personnel:

Ms Lewai Karavaki on 3243683; Mr Rohit Pillay on 3243525; Mr Noa Rokona on 3243595 and Mr Sailosi Nakelekelevesi on 3243581. You may also email your query to [payefinal@frca.org.fj](mailto:payefinal@frca.org.fj).

A handwritten signature in black ink, appearing to read 'Jitoko Tikolevu', with a long horizontal stroke extending to the right.
