

FORM INSTRUCTIONS: PLEASE READ THE FOLLOWING INSTRUCTIONS BEFORE PROCEEDING

1. This form allows a Company to file a Corporate Income Tax (CIT) return. The CIT return is a self-assessment return and may be submitted through the Taxpayer Online Service (TPOS) which you can access at: <https://tpos.frcs.org.fj/taxpayerportal/logon#/Logon>.
2. This form can be used as a guide for completing the 2020 online CIT return.
3. Foreign tax credit (FTC) - this can be claimed by a resident company if:
 - the foreign income is included in gross income
 - tax was paid on that income

The amount of the FTC is limited to the Fiji income tax payable on the foreign-source income. For example, if Fiji tax on foreign source income is \$100 and foreign tax credit is \$120, the claim for foreign tax credit is limited to \$100. The computation of FTC must be provided.
4. You may use the footnotes provided in the return lines for calculation purposes.
5. When filing the online CIT return you will need to save documents on your computer desktop for ease of uploading via TPOS. The files must either be in PDF, JPEG, JPG or PNG formats. Refer to the checklist at the end of this form for documents that you will need to provide with this return.
6. Complete the Declaration section by filling all details in the designated space. The representative must provide his/her TIN and designation e.g. Accountant, Chief Financial Officer, Company Secretary, Director, Manager, Partner or Tax Agent.
7. Once your return is submitted online, you will receive a filing confirmation notice.
8. If you have made a mistake in your return, you may apply to the CEO for an amendment to be made to your self-assessment. The amendment request must be submitted to the CEO within 2 years of the date the self-assessment return was filed.
9. Please consult with a Customer Service Officer if you need help to complete the Form. If you find it difficult to file online, you can bring the completed return to FRCS for assistance.
